

Voyager TRAINING ZONE

One place where crews can find a great selection of training resources.

One centralised location where crews can access a wide range of training tools

Find a great selection of training videos and instructional guides from Voyager, UKHO, ADMIRALTY, Witherby and others for the products and services they use onboard.

Voyager has partnered with the team at Be Cyber Aware at Sea to provide cyber security awareness training specifically designed and developed for the Maritime and Offshore industries.

This training course and the supporting guidance booklet takes a bottom-up approach and is aimed at one of the biggest vulnerabilities on board, 'The Human Element' and helps to develop an understanding and awareness of the emerging cyber threats.

The course covers:

- Malware Awareness
- Phishing & Social Engineering
- Passwords
- The 'Insider Threat'
- Securing Mobile Devices & Removable Media
- Responsible Web Surfing & Social Media Habits
